Our message

Kin Canada is a proud national partner of Cystic Fibrosis Canada. Each year Kinsmen and Kinettes host a variety of fundraising and awareness building activities in support of the cystic fibrosis (CF) cause. Since 1964, Kin members have raised over \$45 million for cystic fibrosis research and patient care. Every year, Kinsmen and Kinettes from across the country participate in the Walk to Make Cystic Fibrosis History. Last year Kin Canada raised over \$500,000 in support of the walk in both online and offline pledges. This year, Kinsmen and Kinettes are participating once again and are aiming to break last year's record.

Thank you Kin Canada for everything that you do every day in the fight against CF; you are truly making a difference!

Why We Support Cystic Fibrosis Canada

We are excited to participate in the 2018 Walk to Make Cystic Fibrosis History! The walk raises awareness and critical funds for cystic fibrosis research and care.

Almost 4,200 Canadians live with cystic fibrosis and our vision is to find a cure or control for this devastating genetic disease. The funds raised are invested in innovative research to help Cystic Fibrosis Canada pursue the next medical breakthrough and provide the highest standard of care for cystic fibrosis patients.

Donate and together we can make history!

Thank you in advance for your support.
